

THE BOARD OF DIRECTORS INVITES YOU TO JOIN US FOR A
SPRING CLEANING AND BBQ!

SUNDAY, APRIL 28 at 3:00 pm

The Children's Center needs some springtime help!

We would love for you to join us to get our school in tip-top shape while having some fun!

Like every "home," there is a lot of maintenance to keep up with so having extra hands to help will be huge. The kids can help or play! A list will be provided with what needs to be done so we're prepared to bring along what we need to help.

We'll provide hot dogs with the "fixins" and water. If you can bring a dish or beverage to share that would be great! Your time is truly appreciated!
